## CONFERENCE SPONSORSHIP PROPOSAL

The Organizing Committee cordially invites the Companies to participate in the Second Russian conference “**GRAPHENE: MOLECULE AND 2D CRYSTAL**” to be held in Akademgorodok of Novosibirsk, Russia on **August 7-11, 2017**. This conference is a review of national scientific and practical achievements in the field of carbon nanomaterials, which will be attended by about 150 experts from the internationally recognized research centers.

Along with public recognition, your sponsorship will have an excellent opportunity to present your company, get in touch with a highly targeted audience of consumers, and lobby your interests to a wide range of the participants from different regions of Russia.

**We look forward to seeing your company among the Conference sponsors!**

We are pleased to provide you with any additional information and consider proposals from your side. For all inquiries, please contact the Organizing Committee by e-mail or phone:
